

The Torah Support Contract

With The donor _____ and the Student of Torah _____

- ★ We know very well the greatness of the mitzva which consists in giving one's support to the Torah about which our sages say (Ketuvot 111):

The one who gives the students of Torah to take benefit of his goods, it is as if he was adhering to the Divine Presence.

Thanks to this merit, he will deserve to live the resurrection of the dead as it is written: "You, who are adhering to God, you are all living today".

- ★ The one who wants to give his financial support to the students of Torah is proponing his help and this is how he will have the great honor to support the Torah.

About the generous people who support the Torah, it's said:
"The one who will raise the lyrics of this Torah will be blessed"
And "It is a tree of life for those who possess it, when one adheres to it, he ensures his happiness".

That's why we sign:

A monthly financial support of the sum _____ from _____ to _____
